

AGREEMENT BETWEEN DEVELOPERS AND
GREENWOOD BOARD OF PUBLIC WORKS AND SAFETY
FOR INSPECTION AND TESTING SERVICES

PROJECT NAME/LOCATION_____

PROJECT NO._____DOCKET NO._____

The Greenwood Board of Public Works and Safety agrees to provide all Inspection Services, but not including construction engineering or construction stake out, required to assure subject project is constructed in accordance with plans and specifications approved by the City.

Such Inspection and Testing Service will be in accordance with City policies and procedures and will ensure acceptance of the project into the City of Greenwood System for maintenance, providing the policies and procedures are adhered to by the owner or his representative (see Subdivision Control Ordinance).

The Developer shall hold the City harmless from any claim for liability from anyone arising out of any act of the Developer in performing this agreement.

The Board agrees to perform such Inspection and Testing Services for a fee of \$50.00 per hour during routine work hours of 8:00 a.m. to 5:00 p.m., Monday thru Friday, excluding holidays, of actual time spent on the project by the Board and/or an authorized representative of the Board in performing said Inspection and Testing Services. The Board or authorized representative shall perform Inspection and Testing Services for a fee of \$75.00 per hour of actual work performed outside of routine work hours.

In the event a consulting firm performs such inspection and testing services on behalf of the City, Developer agrees to pay a fee of 5% of the per hour rate for each hour that such services were performed on the project in addition to the hourly amount due the consultant for such inspection and testing services.

The estimated time for completion of the project is_____weeks.

The estimated inspection time is ten (10) hours per week.

The estimated time for completion of the project is_____hours.

The total estimated cost for Inspection and Testing Services is_____.

The owner agrees to include fifty percent (50%) of the total estimated cost of _____ with this "Agreement" with the check made payable to the City of Greenwood.

The actual Inspection and Testing fee will be based on the actual number of hours of inspection and testing required to complete the project.

The balance of the total Inspection and Testing fee is to be paid upon the acceptance of the completed work by the Board and prior to release of the performance bond by the Greenwood Board of Public Works and Safety.

The developer shall be responsible for providing the City Engineer with video documentation of the stormwater structures and stormwater pipes installed prior to acceptance.
